Do not lock your vehicle or leave it unattended in the loading area at any time.
- C. Never leave your exhibit contents unattended during move-out. This is a very difficult time to provide security.

Outstanding Balances:

Exhibitors with a past due balance will not be allowed to exhibit until all such balances are paid in full, no exceptions. If you have an outstanding balance, please mail your payment or [click here](#) or visit acsshow.com > I Am An Exhibitor > Pay For Your Booth Online to make a payment online.

Refunds for Exhibit Space:

Refunds will not be made, in whole or in part, for unused exhibit space. Should the contracted exhibit space remain unoccupied within two hours of the show start on the opening day, American Consumer Shows may assign it to another exhibitor or use it without obligation. All outstanding balances will remain due irrespective of American Consumer Shows reassigning such space.

Sales Tax & Permits:

All exhibitors are required to collect sales tax where applicable. The State Department of Taxation prohibits the selling of taxable merchandise or services at a show or event by all persons that have not registered for a valid Sales and Use Tax License. For your convenience, applications can be completed online; refer to the Exhibitor Kit under "*Tax Information*" for additional information. Please remember to print a copy of each page during the online registration process to keep for your records. It is the obligation of the exhibitor to obtain and clearly display a copy of the Certificate or License within their booth.

Doors will open to exhibitors each morning one hour before the show opens to the public. For preparation and security purposes, at least one member of your company must be present at these times. American Consumer Shows does not guarantee exhibitors against loss, nor does it imply any assumption of liability for exhibitor's property.

Shipping Information:

Such contents will be stored and delivered directly to your booth before the show. Please contact the service provider directly for detailed instructions and costs associated with this service.
- B. **Direct Shipments to the Facility:** Exhibitors may ship by common carrier of their choice directly to the facility, only on the move-in day, during the move-in hours. Freight will not be accepted prior to this date. Under this shipping method, there are no additional warehouse charges. All exhibit materials that are shipped directly to the facility must be delivered to the loading area of the exhibition hall. Employees of American Consumer Shows and the facility are not authorized to sign and accept any shipments whatsoever. If personnel from your company are not available to sign and accept your exhibit contents, your carrier will not be permitted to leave your exhibit contents at the facility.
- C. **POV:** Personal Occupancy Vehicles are the most common form of to-show shipping. If you are bringing your own exhibitor contents or a carrier is delivering them to the facility, please try to fit all of the contents into one vehicle.
